Important Notes:

- 1) Students who did not meet STAAR Standards or have a low GPA in a core subject class will be recommended to enroll in the Interdisciplinary Class and/or attend Homework Help.
- 2) **Students Academic Performance is a priority**, therefore, if your child is enrolled in an enrichment class he/she will be recommended to enroll in the Interdisciplinary Class and/or Homework Help.
- 3) Since the ACE Program is a federally funded grant, it does require students who are enrolled to complete a **minimum of 30 days** of attendance in the program.
